Response

Dear Frankie,

Thanks for bringing this matter to my attention. Apparently, as the campaign was winding down, the post office box wasn't checked reliable and the initial notice by mail didn't reach the right folks on the campaign.

On behalf of Andrew Walter for Congress, Andrew Walter, and myself, we deny any involvement in any effort to circumvent law and Commission regulations regarding coordinated communications.

Andrew Walter for Congress entered into a commercially reasonable contract with i360, LLC, for a software service to manage voter data. For this service, the campaign paid \$1,400 over the course of the campaign. Andrew Walter for Congress did not receive information from anyone else and has no knowledge of anyone else receiving information from it.

Thank you. Should you have any further questions, please don't hesitate to contact me.

Sincerely,
Chris
